Did You Ever Stop To Figure

The Difference in Cost Between a GOOD Roof and a Shingle Roof.

You will pay for good shingles \$2.00 to \$3.25 per thousand, and for putting them on, from \$1.50 to \$2.00. You can buy RUBEROID that will cover the same amount of surface for \$1.50 and put it on for 50 cents. "Ruberoid" will last longer than tin, iron, shingles or any other prepared roofing. Isn't it the cheapest and best to buy? Write or call for samples.

"Open Confession is Good for the Soul."

We claim no monopoly on honesty and neither do we assume all the virtue there is in the land.

We are not giving away Clothing or conducting our store out of pure generosity for the public. We sell no \$20 Suits for \$4.99, or \$30 Overcoats for \$7.88.

We are trying to make an honest living in a legitimate way, and we are increasing our business daily.

We claim to be a fair dealing, wide-awake Clothing house—always giving you full, honest value for your money, and ever ready to make any wrong right. Surely no one will or can give you more for your money than we will give you—and you can do no better than to make this store **Your Clothing Store**. It will please us exceedingly to have you do so, and we believe you would never regret it.
